

A COMPLETE RANGE OF BUSINESSES

We are passionate about helping our clients solve their most complex business and technology challenges, and we deliver transformational outcomes at scale.

We are driven by the conviction that the business value of technology comes from and through people.

As a global leader in consulting, technology services and digital transformation, Capgemini is at the forefront of innovation to address the entire breadth of clients' opportunities in the evolving world of cloud, digital and platforms.

The Capgemini Group's core offer is supported by three specialized sub-brands that enable a full suite of end-to-end solutions for our clients.

Capgemini Invent is the Group's digital innovation, consulting and transformation brand. They bring to life what's next for their clients by combining strategy, technology, data science and creative design expertise.

Sogeti works closely with its clients at a local level and mobilizes expert teams that create custom solutions from existing and emerging technologies to deliver viable outcomes at speed.

Capgemini Engineering combines, under one brand, the world leading engineering and R&D services of Altran – acquired by Capgemini in 2020 – and Capgemini's digital manufacturing expertise. It helps its clients unleash the potential of R&D, a key component of accelerating their journey towards Intelligent Industry.
