

## WHAT IS CYNOIA

---

Cynolia started as a dream to change the way businesses collaborate, to work hand in hand with businesses to improve team efficiency, productivity and digital well being.

## WHAT DO WE DO?

---

We provide a SaaS platform for businesses that centralizes all communication and collaboration flows into one human-centric hub.

## OUR MISSION

---

Cynolia aims to be a real partner to businesses , big or small becoming their unique hub of productivity
